

FISHING CONTEST
Cranberry Lake and Its Tributaries
Sunday, June 28, 10:00 AM - 6:00 PM

Prizes will be awarded for the four largest fish caught between 10:00 AM and 6:00 PM. The fish must represent the most common species of trout, bass, northern pike, and pan fish found in the lake and its tributaries. There will be two measurement stations, one in front of the Lodge and one below the dam. Whenever possible, please practice "Catch and Release." This is particularly important for the maintenance and improvement of sport fishing for trout. Bud Thompson (848-2030) is chairing this event, and he has four very competent judges helping him.

ANNUAL BOAT SHOW, PARADE and CARDBOARD BOAT RACES
Town of Clifton Beach Park
Saturday, July 4, 2009
11:00 AM – 5:00 PM

Boat Show and Picnic

Starting at 11:00 AM on July 4, a gigantic day has been scheduled for boat club members and friends. First of all, come to view the boats and motors on display. Stroll, preview, and try out new kayaks and canoes. Preview and/or purchase new Centennial books and memorabilia, and collect a ticket for several drawings for the new merchandise. Then join your friends at the **annual feast** of hot dogs and hamburgers.

Cardboard Boat Race

Then get ready for the **first annual cardboard boat race** which will start at **2:00 PM**. These races are held all over the United States and are tremendously popular. This year's committee consists of Bob Raymo, Bill Gleason, Chuck Yartz, Gary Goolden, and Andy Smith. Four of the committee members were scheduled to build boats over the winter. Bill Gleason states no matter how many boats are entered, he will be the winner—GO BILL!! Race rules and registration form, along with web sites to go to for information can be found at the CLBC website – www.cranberrylakeboatclub.org.

Annual Boat Parade

This year's **parade will begin** at the Boat Club dock at **4:00 PM** and will be led by Captain Ernie Giraud who promises to circumnavigate the entire lake. He will have clear vision as he won't be looking through a Christmas tree! Several individuals have indicated to me that antique boats from outside our area would like to participate. I would ask the boat club members who know of these individuals to please contact Bob Raymo @ 848-3714 re: the days activities. Prizes will be awarded for the decoration of boats in either a **Centennial or 4th of July motif**. The new fire boat will bring up the rear in this year's parade.

CRANBERRY LAKE BOAT CLUB
2009 CENTENNIAL GOLF CELEBRATION OUTING
Wednesday, July 22, 2009

To help celebrate our 100th Anniversary, the CLBC will be holding a Centennial Golf Outing at the Star Lake Golf Course, Wednesday, July 22, 2009, rain or shine, followed by lunch and prizes at Twin Lakes Hotel. The golf will be an 18 hole scramble with an 8AM shotgun start.

We anticipate paying cash prizes to 1/3 of the teams participating. A set of engraved beer mugs will be awarded to the winning team. Awards also will be given for the closest to the pin on the second shot on # 8, for both men and women, and for the closest to the center of the fairway on #1 both times through.

A buffet lunch at Twin Lakes Hotel will follow golf, where prizes will be awarded. Costs are indicated on the sign up sheet.

Deadline for signup is July 4, 2009. Please use the sign up sheet which is available on the website www.cranberrylakeboatclub.org and in the Community Center to enter the golf tournament and/or to sign up for lunch.

Golfers pay for golf carts at Star Lake, cost not included here. Star Lake has only 12 golf carts available. Therefore, Star Lake G.C. members are requested to indicate on the sign up sheet if they have a golf cart available. Members of Star Lake who do not have a golf cart are requested to arrange to rent/borrow a golf cart from another member. Please indicate so on the sign up sheet. This will help in the pairings. Mary Ann Remele and Patty Farnsworth have a list of available member rentals.
