Centennial Fund Donations

We have received almost \$7,000 in donations and want to thank all of our members and friends who have given so generously to support our celebration. Eight trees have been purchased for planting at the Cranberry Lake dam and the Ranger School. Other donations have been designated for the general fund, the publications, the sailboat races, the cleaning of the Reuben Wood Rock, and the prizes for the road run, the poker paddle, and the fishing contest. The names of the donors and of the honorees will be printed in the programs for our various events. If you would like to make a donation, please send it to the CLBC, c/o **Mary Ann Remele**, Box 685, Cranberry Lake, NY 12927.

Publications

The boat survey photo book, for which our members provided photos and **Ellen Giraud** took photos around the lake and on the river, will be available for purchase at the opening ceremonies on May 23. **Allen Splete and Suzanne Liberty** worked long and hard to prepare this book for publication, and we certainly appreciate their time and effort.

The Arcadia boat history photo book, authored by **Allen Splete**, will be ready for purchase at the banquet on July 11. Allen spent most of the summer, fall, and winter working on this book, and it is impossible to thank him adequately for all of the time and energy he has given to this project. He credits his wife, **Marilyn**, for her part in the creation and proofing of the book, and we, too, thank her very much.

Update on Events

One new event deserves special mention at this time: **the Cardboard Boat Race**, which will take place on **July 4** at the town beach park. The specifications have been posted on our website. **Bob Raymo** reports that a few folks think they have designed the winning boat, so it's time to create a craft that will rise to their challenge.

Gregg Olson, a member of the Boat Club, has designed a tee shirt that will be available for participants in some of the events.

A number of our events will require registration. At this time, registration forms for the **CL Centennial 5K and 10 K Run and One Mile Walk on June 27**, the **Old Camps tour on July 19**, and the **golf tournament on July 22** are available on our website. Copies will be available in the Community Center after our opening ceremonies on May 23, or you can request that they be mailed to you by contacting Lucia VerSteege, 20 Daisy Lane, North Chili, NY 14514, (585)594-0916. They should be submitted to **Mary Ann Remele**.

Because of limited space, reservations for the **Old Camps Tour** will be on a first come, first served basis. Information about other registrations will be provided in the June newsletter which will also include a reservation form for the **banquet on July 11**. Remember that the committee is encouraging you to dress in vintage clothing, so it's time to check out the attic or the consignment shops. **Pauline Van Epps** also asks that you send her a photo (3x5, 4x6, or 5x7) from your youth, along with your name (married and maiden) and approximate date taken, for the contest at the banquet. A prize will be awarded to the person who is able to identify the most people. These need to be sent to her, Box 500, Cranberry Lake, by June 20.

Learn to fly fish with Rick Kovacs,

Licensed Guide and Owner of Packbasket Adventures in Wanakena, on **June 18** from 1:00-5:00 PM at the CL Boat Launch. Come learn to choose flies, fly cast, and land and release fish. Waders or hip boots are recommended but not necessary. Bring your own tackle if you have it; if not, it will be provided.
